INTRODUCTION

This document is the Index to the Administrative Record File for the Allied Platers Site Removal Action. The Index cites site-specific documents and guidance documents used by U.S. Environmental Protection Agency (EPA) staff in selecting a removal action at the site. The response actions described below directly address actual or potential releases of hazardous substances on site (including hexavalent chromium), which may pose an imminent and substantial endangerment to public health, or welfare, or the environment. Specific removal activities include the following:

- Developing and implementing a Site Health and Safety monitoring plan.
- Conducting a site walk with the cleanup contractor.
- Conducting additional sampling as needed.
- Performing public communication and outreach activities.
- Providing security services as required by the On-Scene Coordinator (OSC).
- Inventorying and documenting existing property conditions.
- Clearing vegetation, debris, and other obstructions as needed.
- Excavating contaminated soil, waste piles, and any other hazardous materials encountered.
- Performing dust control and mitigation measures, as necessary.
- Backfilling excavations.
- Pre-treating hazardous substances, if beneficial for off-site disposal options.
- Disposing of hazardous substances at an EPA-approved off-site disposal facility.
- Repairing response-related damages and security fencing as necessary.

The Administrative Record File is available for public review, by appointment, at the U.S. EPA Records Center, 5 Post Office Square, Suite 100, Boston, Massachusetts, 02109-3912; and at the Hartford Public Library, 500 Main Street, Hartford, Connecticut, 06103. Questions concerning the Administrative Record File should be addressed to Eric Vanderboom, EPA On-Scene Coordinator.

The Administrative Record File is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C. § 9613 (k), and EPA's implementing regulations, 40 CFR § 300.800.-825.

PLEASE NOTE:

THE DOCUMENTS COMPILED IN THIS ADMINISTRATIVE RECORD FILE HAVE BEEN REPRODUCED FROM THE BEST AVAILABLE COPIES, OR AS PROVIDED IN ELECTRONIC FILES.
